Embarcadero spots with good food, views

Waterbar

This is the place to go for elegant seafood and oysters. Each fish is "pedigreed," listing where it was caught and by whom. As you eat, you can feast your eyes on the fish tanks inside or on the Bay Bridge outside. There's also a well-manicured patio on the side. If you crave steak, Epic Roasthouse is right next door.

399 The Embarcadero (near Folsom Street); (415) 284-9922 or waterbarsf.com. Lunch weekdays, brunch weekends, dinner nightly. Reservations and credit cards accepted. \$29-\$36.
